

What DSBDC's clients say about our services.

After attending the course, I was able to develop accounting system and create budget. This has enabled me to set myself up as a services provider and earn monthly fees. The amount of fees is higher, than I received earlier.

Muhanad Al Itabi

The training course motivated me to develop my own project (repairing cell phones) and has enabled me to market myself properly.

Ali Abid Hussain Jabiar

Diwaniyah Small Business Development Center (DSBDC)

JOBS, GROWTH, EXPANSION

Who We Are ?

The Diwaniyah Small Business Development Center (DSBDC) established in August 2010 is the main economic Development agency in Diwaniyah Province. Part of the Diwaniyah Chamber of Commerce, it is working to promote and assist in development of private sector businesses. DSBDC is located in Diwaniyah City at the center of Iraq approximately 180 kms south of Baghdad.

Our Mission

We will help develop the economy of Diwaniyah province by creating employment and self employment opportunities for all citizen.

Our Vision

- To be recognized as the premier source for training, counseling and value added services for existing and potential entrepreneurs.
- To build relationships with clients, other business organizations and government entities that will promote synergies to develop the local economy.
- To be a champion for our clients and the SME sector in all public forums.
- To build a team, which can create and implement innovative solutions for a dynamic Diwaniyah.

Everyone benefits! The small business owner with a dream - the consumer with more choices - the local economy through job creation

What are the Results?

- Clients receive training to help improve their businesses.
- Clients receive counseling and assistance in obtaining financing
- New jobs are created and retained.
- Businesses are created and expanded.

Diwaniyah Small Business Development Center (DSBDC)

What assistance can be provided?
